AN EXCEPTIONAL SKI AREA

A freestyle spirit for families

Surrounded by two glaciers which provide natural snow all year round, the ski area of Les 2 Alpes 3600 is a favourite with skiers, thanks to its high altitude! It has impressive descents (2300m for the piste which descends from the summit to the village of Mont de Lans), a new blue piste which links the ski area to the resort, a renowned off-piste area in the middle of the Meije valley and one of the best snow parks in the Alps which has become a European reference. Add a family-friendly resort at an altitude of 1650m which is both energetic and inviting and you have an ideal mix for a fun, varied holiday!

Hotel Club mmv Le Panorama, a 3* holiday village

At the foot of the slopes at 1650m, this Hotel Club, which was renovated in 2015, has everything you need for a great family holiday: spacious and tastefully decorated rooms for 2 to 5 people, two restaurants, a large bar area with a fireplace, a well-being area and a lovely activities room, ideal for après-ski socialising or spending time with your family. Enjoy your skiing holiday your way!
