THE RECORD-BREAKING SKI AREA!

The best skiing in the world!

It's simple - when it comes to snow, there's nothing better: 600km of pistes, of all levels and all styles, most of which are above an altitude of 2000m, incredible ski lifts, superb snow quality, 6 peaks at over 3000m, a 7000m² snow park... Chosen as the world's best ski resort at the 2014 World Ski Awards, your days will be spent crossing the ski area from one end to the other - with endless possible routes! You're going to love it! And if you still want more, the Val Thorens resort - the highest resort in Europe, at 2300m - which is known for its lively atmosphere and pedestrianised streets still has plenty of surprises and activities as part of its après-ski offering...
