ONE OF THE MOST BEAUTIFUL SKI AREAS IN THE WORLD

Enjoy intense skiing - and a peaceful night's sleep

People come from far and wide to enjoy the privilege of skiing in the world's most beautiful ski area! Two glaciers with an elevation of over 1900m, 2 snow parks and 300km of pistes, all between Val d'Isère and Tignes. There's something for everyone: an enormous descent from the top of the Grande Motte (3456m), the powder snow of the «Naturides», secured but ungroomed pistes or freestyle fun: Tignes is the go-to place for freeriders! Just a gondola ride away and then: it's time for quiet, family-friendly après-ski in the village of Brévières, at an altitude of 1550m, the oldest and most charming hamlet of the resort, on the shore of the Lac du Chevril.

Hotel Club mmv Les Brévières, a 4* holiday village

Completely renovated in 2016, this Hotel Club offers comfortable and functional rooms, all with a contemporary décor. The mini family suites can accommodate up to 5 people! You'll love the Savoyard restaurant with its large bay window, the spacious bar area and performance hall and the hotel's cosy wooden beams - and the Ômea Spa by mmv, of course... all this in the centre of the resort, just 150m away from the gondolas! A new experience...
