LA DOLCE VITA ON THE PISTES

Come and ski on Olympic slopes! On the borders of France and Italy, the Voie Lactée ski area has 400km of pistes and basks in 300 days of sunshine a year: take a break and enjoy the glorious weather as you ski! The Mont de la Lune ski area, above Montgenèvre, has 110km of downhill ski slopes which are suitable for all levels, in addition to a lovely Nordic ski area.

At an altitude of 1860m and 2km from the Italian border, Montgenèvre is a village with a real family atmosphere. The resort organises plenty of unusual activities and has a genuine 'dolce vita' feel, with a number of restaurants serving delicious food.
