### Summits under the French Riviera's sun

Located at the heart of the splendid Tinée Valley, only at 90min away from Nice and less than 2 hours away from the Italian border, Isola 2000 benefit from the warm mediterranean climate.

Breathe in the fresh air in a cultural and unspoilt area between Mercantour National Park and Parco Alpi Marittime.

The numerous trails will lead little ones and grown-ups to beautiful high-altitude lakes or to the riches of local historical heritage.

Enjoy family-friendly activities in nature: rock climbing on a natural site, adventure course in the trees, mountain biking, horse-riding, bathing at the Valley artificial lake; or meet the wolves of Parc Alpha.
