THE SKI RESORT AND THE SKI AREA

A spectacular area, an exclusive and familial resort. Situated between the Montchavin forest and the Bellecote glacier, the skiing area of La Plagne has 225 km of ski slopes, a great variety of landscapes and optimum snow!

The link with Paradiski opens the doors to one of the largest skiing areas in the world! Two glaciers, 70% of the area above 2000m altitude and leading edge technological equipment bestow exceptional snow coverage and vast opportunities for skiers, from experts to beginners. At an altitude of 2050m, the resort of Belle-Plagne reveals a preserved architecture. Entirely pedestrianised and suitable for skis, this resort guarantees you a tranquil après-ski and magical views.

Resort activities

Fun winter sports: snowpark with 2 freestyle areas, including rails, tables, S, wave and fun box, as well as nordic skiing. Experience another side to the mountain: olympic bobsleigh track, ice climbing, snakeglossing airboarding, monoglossing, snowbiking and bi-boarding. Leisure facilities in the resort: bowling and games rooms, squash, cinema, drawing and water colour painting.
