THE SKI RESORT AND THE SKI AREA

The 3 Valleys, "Family Style"

The 3 Valleys needs no more introduction. Located in the heart of Savoie, this is the biggest ski area in the world, with 600km of runs, and people come from far and wide to have the privilege of skiing here!

This is an area where 85% of runs are located at more than 1800m altitude which guarantees optimum snowfall from the start of December to the end of April. The huge variety of runs, all-day sunshine and magnificent views are all the ingredients needed to delight both young and old, beginners and the more experienced in all snow sports! Les Menuires is famous for its friendliness and stands out for all its activities and leisure amenities which welcome both skiers and non-skiers looking to relax.

Resort activities

Fun winter sports: 9 fun areas to discover among family or friends, new exhilarating winter sports: Speed Mountain (rail luge), DVA park, Big Air Bag, ungroomed natural areas, BK park, Rock'n Bob toboggan run and Rock'n Bike trail...

Experience another side to the mountain: become an initiate to paragliding, enjoy dinner in a yurt, rail luge, snowmobiling, dog sledding excursions, walking trails and snowshoeing trips.

Leisure facilities in the resort: water, sports and fitness centre, bars, restaurants, nightclub and cinemas.
