#### THE SKI RESORT AND THE SKI AREA

100% nature!

Only lovers of pure nature and powder snow know this area of wild charm, 17 km from Bourg Saint-Maurice...renowned for its off-piste routes among the trees which can be explored on snowshoes or skis.

This is an opportunity to go with a guide and immerse yourself in the silence of the mountains. As well as the area of Sainte-Foy, there are two other ski areas connected by shuttle buses which are available to you from the heart of the Paradiski resort with its 425 km of slopes facing Mont Blanc and Espace Killy with its 300 km of slopes including a world-famous Olympic slope! Back at the station, you can enjoy the relaxing family atmosphere.

#### Resort activities

Fun winter sports: secure off-piste free riding, 3 ski areas are accessible with the ski lifts.  
Experience another side to the mountain: discover the local heritage through guided tours, snowshoeing or dog sledding excursions, 3 sites available for ice climbing.  
Leisure facilities in the resort: bars and restaurants, local boutiques and handicrafts.
