#### THE SKI RESORT AND THE SKI AREA

A freestyle spirit for families.

Surrounded by two glaciers which provide natural snow all year round, the ski area of Les 2 Alpes 3600 is a favourite with skiers, thanks to its high altitude !

It has impressive descents (2300m for the piste which descends from the summit to the village of Mont de Lans), a new blue piste which links the ski area to the resort, a renowned off-piste area in the middle of the Meije valley and one of the best snow parks in the Alps which has become a European reference. Add a family-friendly resort at an altitude of 1650m which is both energetic and inviting and you have an ideal mix for a fun, varied Holiday !

#### Resort activities

Fun winter sports: one of the best snowparks in the Alps with an Easy Park for an introduction to freestyle and Park Avenue with 20 modules designed by the park's shapers.

Experience another side to the mountain: ice cave, ice glider, dog sledding and dôme robocoaster avalanche simulator.

Leisure facilities in the resort: cinema, bowling, museum, numerous restaurants and bars.

#### Events Schedule

In February: Choucas Trophy. In April: Junior Foliz festival
